FIRE PREVENTION NEWS

All of your live holiday decorations should be removed from your home at this time. Leaving your tree up only invites danger to you and your family. For more information look up Christmas tree fires on YouTube.

The State Fire Code requires the Fire Marshal to inspect all food trucks. If you are planning on using a food truck at any family event, please contact us for the inspection. Many food truck vendors have serious violations that can cause damage to your property.

Be safe; ask for the inspection.

INSIGHTS FROM THE ENVIRONMENTAL COMMISSION

Our waste management problem has increased since some countries have stopped accepting our recycled plastic. Action is being taken by the NJ Legislature in a bill requiring plastic containers such as soda bottles, hard plastic containers, plastic film (e.g., trash bags), and other items to be made with up to 50% recycled content. It would reduce the environmental harm from using new plastic and litter and increase the value of recyclables, making our towns stronger. It is the strongest in the nation for creating a reusable materials economy.

Throughout the pandemic it has been hard to gather as a community, but we want you to know the Harrington Park Green Team and Environmental Commission (EC) have been very busy! In the past few months, we participated in the town Farmer's Market and sold our delicious local honey along with other environmentally friendly products. We put proceeds toward "green" projects in town. In November we worked with a small group of volunteers to refurbish the Beechwoods path with wood chips. Please take a walk there and enjoy the largest grove of beechwoods in NJ. It is a HP treasure. Cleatus Farms in Northvale offers the EC a discounted rate. We have been able to plant trees around town and 6 flowering bushes at Borough Hall. We now have our sights on creating a community garden, so please let us know if you are interested in participating!

NEWS FROM OUR HOUSES OF WORSHIP:

The Community Church in Harrington Park

Steve Sayer, Pastor, 201-768-2457, www.cchpchurch.org, email: cchp@verizon.net

A lot of us have gotten a great deal of joy from Saturday Night Live down through the years. Would you like a control-room view of how an episode is made? The Community Church in Harrington Park is hosting a program by Harrington Park resident Bob Caminiti, who was the associate director of Saturday Night Live for 25 years. Using video, Bob will take us into the control, where we can watch the directions given to staff, editors, and camera operators and how those directions interface with the actors on the show. The program will take place in Founders' Hall. This inside look at one of the most popular shows in the history of American television will happen on Saturday, February 5, at 7pm. All are most welcome!

I welcome Ms. Gabrielle Weiner Karpati as an alternate to the Board of Health and Mr. Philip Lee as an alternate to the Planning Board. They both have much personal experience to bring to each Board. I thank them both for offering to serve our community.

Mayor's Citizen of the Year 2021

As a result of his distinguished record of community service to Harrington Park, I declared Jeffrey Brockman "Citizen of the Year." Jeff diligently served on the Council from 2019-2021 and was Liaison to the Environmental Commission and Board of Health. A resident of Harrington Park since 2007 along with wife Dawn and daughters Sophia and Gia, Jeff is an active member of our Volunteer Fire Company, which he currently serves as Vice-President. Jeff also selflessly offered his time to many organizations, including Family Promise and Operation Gut and Pump. When the job market declined, he met weekly with affected residents for the purpose of career assistance. Jeff also was a co-founder of the Harrington Park Community Alliance where he helped to create the Harrington Park Farmers Market and the First Annual Home for the Holidays event. It is with sincere gratitude that I honor Jeff for all he has given to and accomplished for our town.

HARRINGTON PARK POLICE CHIEF

Chief Albert Maalouf has retired from the Harrington Park Police Department as of December 31, 2021. He has served our community since 1983 and had been Police Chief for ten years. I thank him for his dedication and professionalism and wish him well on his retirement.

Mr. Robert Murphy was sworn in as the new Harrington Park Police Department Chief at the Reorganization Meeting on January 2nd. I look forward to working with Chief Murphy and am confident that he will continue to serve our community well in this new capacity.

WINTER WEATHER TIPS AND SUGGESTIONS

During winter snow storms, please:

- Keep your car(s) off the street so the plows can clear the whole road.
- As you look at your garage from the street, throw or plow the snow to the left side of the driveway.
- Do not throw or plow snow into the roadway.
- Place reflectors at your curb, or where your lawn meets the road, to help avoid having your lawn torn up.
- If at all possible, please consider adopting a senior member of our community who might need help or assistance during a storm.

DEALING WITH COVID-19 IN 2022

As the nation on a whole sees an uptick in cases, I ask you again to please observe the basic recommendations from the various medical organizations. Protect yourself and your family. As always, thoroughly wash your hands and use sanitizer to prevent the spread of germs. Even if fully vaccinated, consider wearing a mask if you are indoors in a public area with high transmission possibilities. The CDC has now approved COVID-19 Vaccines for anyone 5 years or older. The vaccines are available to everyone and are free of charge. The vaccines are effective at helping prevent severe disease and death. Boosters are now also widely available for those eligible. You can find vaccination locations at www.vaccines.gov or by texting your zip code to 438829. If you have concerns about the Vaccination Program, please consult your family doctor.
